

Arizona Faith Gathering

An initiative of the Be Connected Faith Network, in support of Arizona service members, veterans & their families.

Arizona is home to more than 500,000 service members, veterans and their families. Many of these valued members of our community turn to their faith for support, healing and connection. That is why the [Arizona Coalition for Military Families](#) is partnering with members of the faith community around the state to build the [Be Connected Faith Network](#).

Arizona Faith Gathering meetings take place quarterly and are open to all community members interested in expanding faith-based support to our military, veteran and family population.

Wednesday, January 26, 2022 - 10:00 - 11:30

This meeting will take place virtually via Zoom (link provided upon registration). There is no cost to attend.

Gather with other faith community leaders statewide in order to learn how to better support your military-connected members.

Collaborate with others to make a bigger difference in our community.

Hear from our VA special guest panelists: **Chaplain Krupnick**, **Chaplain Igwenwanne** and **Chaplain Tiznado-Smith** as they share about the spiritual journey of a veteran and why the faith community is so essential.
