

# The Be Connected® Ecosystem of Support

We're on a mission to connect every Arizona service member, veteran & family member to support and resources through our Ecosystem of Support – a unified network of people, organizations and communities.

**Areas of Focus** – Be Connected focuses on all of the social determinants of health, by connecting service members, veterans & family members to support and resources.

**Partners** – We deliver services and support through our unified, statewide, interconnected partner network, enabling us to maximize our collective impact.

**Helpers** – Helpers play a key role in engaging and connecting people and families to the resources and support they need, when they need it.

**Military Service** – We're here for all service members and veterans – regardless of branch, component, length/era of service and discharge status.

**Stress Level** – Our upstream approach means support is available across the stress levels, with a goal of earlier intervention.

**Life Cycle** – Be Connected offers resources throughout the military life cycle, from the start of service to separation and beyond.

**Family Members** – Every family member matters to Be Connected and our team is here for you with support and connection to resources.
