

VA Be Connected Community Mental Health Summit

Please join us for the 2nd annual virtual summit focused on Arizona's 500,000+ service members, veterans, their families and communities.

October 20, 2021 | 8:30 - 11:30
Virtual Conference Center

The summit provides the opportunity to hear from VA and Be Connected leadership, learn about an array of topics focused on health and connect to what is happening statewide and regionally.

Everyone with an interest in and concern about the mental health and wellness of our military, veteran and family population is invited to attend the event.

Please register online. Attendees are also encouraged to complete a short pre-event form by 9/30 (link below and in the registration confirmation email). Questions to leadership will be answered live during the Summit or posted thereafter.

Register online: <https://2021VAMHSummit.eventbrite.com>

Submit Questions to the VA: <https://form.jotform.com/211436848302049>
