Dear Thomas and Nicola,

Thank you for your tremendous support and countless hours you spent to help make the HE.R.O. Hiring Event a reality. This initiative could not have taken place or been nearly successful without your contribution.

I appreciate not only all you did to organize the hiring event, but also your leadership in organizing the employment workshops and giving up your time to speak at the Employer Reception. I am truly grateful.

I also hear a congratulations is in order. Congratulations on the new addition to your family!

Happy holidays to your and your family!

Warm Regards,
