Dear Thomas,

I want to congratulate you on an amazing summit and thank you for asking me to be a part of it. The work you do is very important and your guidance has helped make Tempe a better place not only for veterans and their loved ones, but for our entire community.

Robin and I brought the framed designation pieces you gifted us back to City Hall and will be displaying them with pride. Next time you are in, ask one of us to show you where they are.

Please let me know if there is anything else I can do to help, especially in my capacity as President of the League of Arizona Cities and Towns.

Again, congratulations!

Sincerely,

A handwritten signature in blue ink that reads 'Mark W. Mitchell'.
