JOIN US FOR OUR NEXT EDUCATION POWER HOUR: **THE HIDDEN WORKFORCE**

Join Education Forward Arizona for our June Education Power Hour as we take a deeper look at Arizona's Hidden Workforce and the organizations helping connect individuals to education, training, and employment opportunities.

This month, we'll hear from organizations working to remove barriers and create pathways to employment for individuals across Arizona.

Our guest speakers will share how their organizations support individuals with disabilities, justice-involved individuals, veterans, and military spouses in accessing employment opportunities—and how these efforts are helping employers address workforce needs across the state.
